

Geraldine,

We would just like to say a massive thank you for all of your help over the past 3-4 months whilst [REDACTED] has been in your care. As you know our circumstances were not the easiest and you were extremely flexible and helpful with working around our schedule and all of the [REDACTED] had to be involved with. We do believe that you went above and beyond your job role with [REDACTED], especially with the arrangements for [REDACTED] and all of the help and advice you gave us.

I would most definitely recommend your services to any friend or family member. During [REDACTED] time with you, she seemed to grow up a lot and settle in very quickly considering how many changes she had already gone through in such a short period of time. Her speech and interaction, especially with other children improved and you were a great help with potty training. [REDACTED] loved to go to 'school' and would always talk about the activities she had taken part in throughout the day.

Please feel free to put us down as a reference for any future applicants and thank you again for all of your help.

Kind Regards,

[REDACTED]
